Mahikeng: NWU Ladies FC coach Xabanisa and his technical team were jubilant on Saturday afternoon, after clinching three valuable points over Taung Real Stars FC.

The one sided affair in favour of NWU Ladies FC saw the number one goalkeeper Berlinda Dlamini being substituted to give her deputy some much needed game time.

Taung real Stars FC were promoted to the lucrative life changing Sasol league at the start of the season, after spending time in the lower league of SAFA Regional Women's League. They had struggled to gain top notch form since their first league defeat of 11 – 0 by Clive United FC on April 5. With no wins since their promotion, NWU Ladies FC added another thorn in their bed: they walloped their visitors 6 – 1 at home.

NWU Ladies goals took a while to come with evidence of their lack of composure in the box on Saturday. What coach Xabanisa told his young heroines seemed to have sunk in because they were more composed in the second half hence the 6 – 1 score line. Taung Real Stars FC goal came as an ambush after the home side were caught napping at the back. The visitors broke the solid defensive wall to grab a consolation goal.
